To: Assignment Editors

The media is invited to attend:

What: **Third National Climate Outlook Forum (NCOF)**

Theme: “From Observation to Action: Climate Services for a Resilient Tomorrow”

The **Antigua and Barbuda Meteorological Service (ABMS)** will convene its **Third National Climate Outlook Forum (NCOF)** to present **sector-relevant seasonal outlooks** and to gather **user feedback** that will guide the development of more targeted and responsive climate services. This year’s forum is proudly sponsored by the **Government of Antigua and Barbuda**.

The NCOF remains a key platform for strengthening national climate resilience by ensuring that climate information is tailored to the needs of critical sectors.

When: Thursday, June 4, 2026, from 8:30 a.m. to 3:30 p.m. AST

Where: **Royalton Antigua Hotel**, Five Islands Village, St. John’s, Antigua.

The forum will also be **streamed live on the ABMS YouTube channel (@abmetervice)** to widen public access to the presentations and discussions.

Media Opportunities: **Opening and Climate Review and Outlook sessions (09:00–10:30)** – photo, video, and sound bites

Interview availability with:

- **Dale Destin**, Director, ABMS
- **Orvin Paige**, Climatologist, ABMS
- Sector representatives and climate services provider
